Travel in China 汉语怎么说? (HSK1-9)

学习指南与核心词汇解析

1. 本期简介 (Episode Overview)

本期节目中，阿松和阿竹将带大家了解如何用 HSK 3.0 的“三等九级”来讨论“旅游”这个热门话题。随着免签政策的开放，两人从初等水平的高铁出行与城市规划（如北京和成都）聊起，逐步进阶到中等水平里避开人潮的 Citywalk 与中国文化网课程的实地考察，最后在高等水平中深入反思了走马观花的“网红打卡”式旅游，并分享了考取外语“导游证”以系统探寻历史渊源的硬核计划。我们将带你体会不同等级的语言魔力，教你如何通过升级句式，用中文开启一场真正的文化深度游。

In this episode, Asong and Azhu guide us on how to discuss the trending topic of "travel" using the HSK 3.0 "Three Levels and Nine Grades" system. Taking advantage of the new visa-free policies, the conversation starts with elementary-level discussions on high-speed rail travel and city choices (like Beijing or Chengdu), progresses to intermediate-level planning for crowd-free Citywalks and on-site research based on Chinese cultural courses, and finally culminates in an advanced-level reflection on superficial "influencer-spot" tourism. They also share a hardcore plan to obtain a foreign language "tour guide certificate" to systematically explore historical origins. We will show you the magic of different language levels and teach you how to upgrade your sentence structures to embark on a truly profound cultural journey in Chinese.
